

## UPDATED COVID-19 PLANS AND POLICES

- Our staff has put in countless hours rearranging the gym, altering lesson plans, cleaning, and revamping the lobby to adhere to the numerous guidelines set forth from COVID-19. Needless to say, the gym and our operations will be different as we adjust to this "new normal" for the time being.
  - Regardless of your viewpoint on COVID-19, we ask for your utmost support and cooperation so we are able to continue operations, adhere to all guidelines required, and keep all our staff, athletes, and families in the gym feeling safe and comfortable.
  - We also ask for you to have a positive conversation with your athlete about our return to gym protocols, regardless of your viewpoint on COVID-19, we ask that you encourage them following all rules, proper mask etiquette, and being thankful they are able to return to the sport they love.
